## Cárre Table

**Dim:** 50”Sq x 30”H

**Top:** Glass

**Base:** Epoxy

This modern dining table is a sleek and versatile piece designed for both interior and exterior spaces. Constructed from durable aluminum, the table features a robust frame finished with a weather-resistant epoxy coating. This finish not only enhances its durability but also lends a smooth, polished appearance that is both contemporary and timeless. The table’s design seamlessly blends functionality with style, making it a perfect centerpiece for dining rooms or outdoor spaces.
